Learn some practical strategies on how to handle IEP issues:

- When do you take a break from a heated or escalating IEP meeting?
- How should an IEP team prepare for a litigious IEP meeting?
- What to do when parent's attorney shows up at an IEP meeting? (and your attorney is not present)
- How to best communicate with advocates/attorneys?
- When do you HOLD and when do you FOLD when it comes to providing services?
- How to build a collaborative relationship with parents?
- What are some identifiable red flags to pay attention to?
